

(MTA) MICROSOFT TECHNOLOGY ASSOCIATE

Looking for a first step toward building a successful career in technology? Microsoft Technology Associate is the way to differentiate technology competency and explore academic and career options.

Microsoft, Certiport and DCI Resources (The Learning Academy) team up to bring you this entry-level credential that validates essential technology knowledge. MTA makes it easy for DCI to deliver technology education through a simple, convenient, and affordable suite of entry-level certification exams.

MTA certification is positioned to become the premier credential for individuals seeking to explore and pursue a career in technology, or augment related pursuits such as business or any other field where technology is pervasive. It is the ideal and preferred path to Microsoft's world-renowned technology certification programs, such as Microsoft Certified Solutions Associate (MCSA) and Microsoft Certified Solutions Developer (MCSD).

OVERVIEW

Microsoft, Certiport and DCI Resources (The Learning Academy) are pleased to offer you the Microsoft Technology Associate (MTA) certification—Microsoft's new entry-level credential that validates fundamental technology knowledge among students seeking to build a career in technology.
